7. Reports - Principals Report - **Current School Enrollment is 352 Students**
 - **Domain 1 – Organizational Leadership**
 - **Alderman Yancy visited the school on Dec. 4th. We focused most of our discussion on the newcomers at Harte and traffic. Alderman Yancy mentioned that he has been caught in some of the morning traffic at Harte. He would like to support us and has offered to discuss this in more detail. He said he would order traffic horses with his name on it. He didn't share much new knowledge regarding our newcomers. I shared the struggles we've faced, but noted that our staff doesn't want the students to have to leave and start over at a new school.**
 - **Our middle school science teacher, Adam Schwartz and I met with Shaz Rasul, from the University of Chicago to discuss a partnership to add 4 more University of Chicago science majors to improve science. We identified Human Anatomy as a schoolwide unit we work on with the goal of having a schoolwide presentation done by students and U of C students for students and families in March.**
 - Distributed 1st Quarter Progress Reports
 - Held Professional Development Day meeting with teachers.
 - Conducted the Network 9 Rigor Walk on Sept. 16th. We observed 9 classrooms looking for evidence of learning targets and level of rigor in student work and learning objectives. 7 out of 9 classrooms observed had strong evidence of learning targets being aligned to Common Core Standards. Most classrooms had all adults intentionally engaging with students to support learning. The culture of the building and classrooms is warm and welcoming to ALL students. An area of clear growth was 6 out of 9 classrooms had rigor at the retrieval level. As a result of the Rigor Walk, we have created additional support during grade-level meetings on Standards-Based Instruction followed by professional development of increasing rigor in classrooms.
 - Became the second school in Chicago to partner with Young Eisner Scholars. Three sixth graders (Ryan Thorton, Valery Davila, and Okikiola Abiola-Fagba) -selected to receive mentorship from 6th grade through college.
 - Held a Kickoff to Kindergarten program in July (4-week CPS sponsored program)
 - Held Summer OST programs for students including gardening, cooking, art, computer, cheerleading, science, basketball, algebra, math and reading tutoring.

8. Old Business
- Traffic Control / Security Guard Updates
 - Harte still does not have a full-time security guard
 - Ongoing issues with traffic during drop off and pick up times.
 - Mr. Williams, parent, is working on ways to gather support from other parents to act as crossing guards. The goal is to close a lane on Cornell and make 56th one way only for 30 mins during peak traffic season.
 - Community Engagement Efforts
 - 2 families indicated their interest in going PAC, Mr. Bright is going to follow up them.
 - New Student Updates
 - 60 days' notice has been given to families staying in shelters.
 - It appears that as new families are getting housing placements that they are in different areas of Chicago which is the main reason why students have been unenrolling, but new families have still been arriving.
 - Joe is going to wait until more details are available and then he plans to draft a letter on behalf of LSC to the city expressing how relocating students in the middle of the school year is detrimental to the entire school community. He will also share this letter to other local schools so that they can use it as a resource.
